## GIFT IDEAS

### SKYLANDERS® SUPERCHARGERS STARTER PACK

**Product Description:** *Skylanders® SuperChargers* expands upon the franchise's signature gameplay to introduce a brand-new play pattern to fans, vehicles-to-life. For the first time, kids can explore and navigate the mountainous terrains, deep sea environments and big blue skies of Skylands like never before by going behind the wheel of powerful, tricked-out land, sea and sky vehicles - bringing them from physical world into the digital world in a high octane action-adventure videogame.

*Skylanders® SuperChargers* also brings fans racing and online multiplayer gameplay. Whether fans prefer co-operative play in Adventure Mode or competitive multiplayer with up to four players in Racing Mode, *Skylanders® SuperChargers'* online gaming is fueled with adrenaline-pumping action right out of the box.

*Skylanders® SuperChargers* for Wii U exclusively features Nintendo's iconic character -- Donkey Kong -- as a guest star in the game along with his specially created vehicle. For added fun, this SuperCharger character not only works in *Skylanders® SuperChargers*, but will also work with select amiibo-compatible Nintendo games with a simple twist of the character's base.

The *Skylanders® SuperChargers* Starter Pack includes two SuperChargers and one Vehicle, as well as the game and a Portal of Power®.
